The length can be adjusted conveniently and even one-handed using the **rocker switch** in **55 mm increments** (410 mm, 465 mm, 520 mm, 575 mm and 630 mm).

The sturdy ratchet has **36 teeth** and has been manufactured in accordance with **DIN 3122/ISO 3315**.

The **maintenance-free slide bearing** and stop protection ensure that the tool is quick and safe to operate and is particularly **durable**.

The **clockwise and counter-clockwise** change-over switches are slightly recessed. This avoids accidental switching in use.
